# **“Why Do We Celebrate Easter?” Discussion and Scripture Guide**

Thank you for the investment you are making in the lives of the children in your life. This guide is designed to be used in conjunction with the “Why Do We Celebrate Easter?” book, or as a standalone discussion about the incredible story of Easter.

In the following pages, you will see key themes for each page of the book, followed by Scripture references that support the content on each page of the book. I strongly encourage you to take some time and work through this guide with your child, and help establish the importance of Scripture in knowing God, and His revelation to the world.

In His Service,

Mark I. Sutherland
